Hi Lance,

Max (David Boone) is our Documentation Unit Leader. Would you please copy him in the future on any correspondence you have which contains any reports/updates/notes etc. that you think should be part of the record. We've also established two Outlook user accounts for him, **R9EOCDocumentation-Unit-Leader-1** (for Typhoon Soudelor) and **R9EOCDocumentation-Unit-Leader-2** (for Gold King Mine) if you want to use those accounts when copying him.

Thanks,

Mark
